Grown up page

*For He shall give His angels charge over you,  
To keep you in all your ways. Psalm 91:11*

## A lesson in Kindness!

Do not neglect hospitality to strangers, for by this some have entertained angels without knowing it. Hebrews 13:2 Always be kind! You just never know!

**Take time this week to look up and read stories about angels in the Bible.**

## PRAYER

*Abba Father,  
Thank you for always taking care of us. Thank you for giving us Yeshua.  
Thank you for the power of your Spirit in us. Thank you for providing help in times of trouble. Help us to see you in the details of our lives, so we can give you ALL the praise!  
Amen!*

## What is an Angel

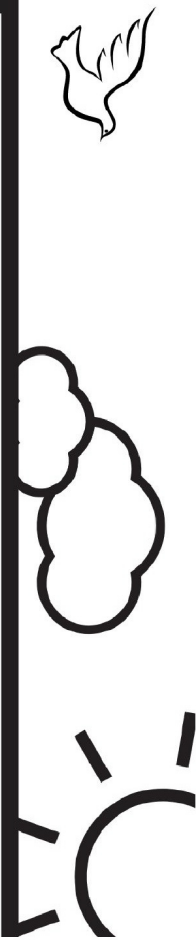

A spiritual being superior to humans in power and intelligence who live in heaven with God. Throughout scripture, angels are often sent to Earth, sometimes in human appearance, to bring the messages of God to people, to guide and protect them. They also fight spiritual battles for us against the devil.

We must **NEVER** pray to angels. Angels were created by God. We pray only to the Creator God, never to the created.

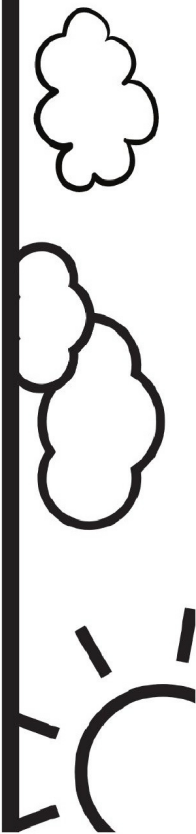

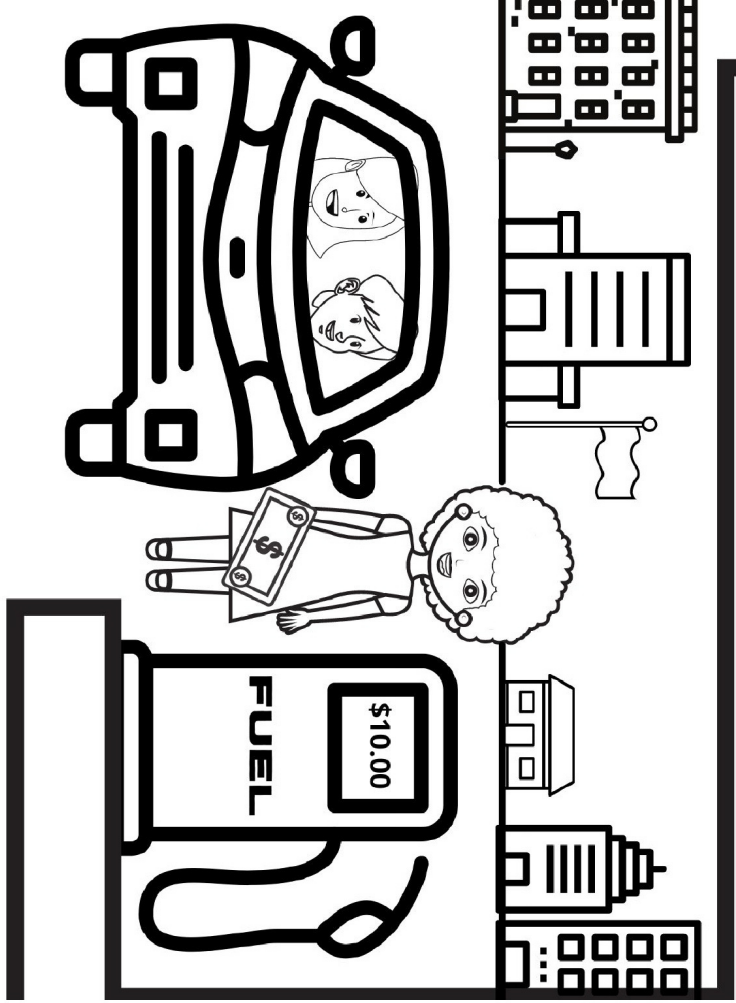

It's OK to pray to God to send His angels for help in times of need.

**DO NOT** worship angels. We only worship the one true God of Abraham, Isaac and Jacob.

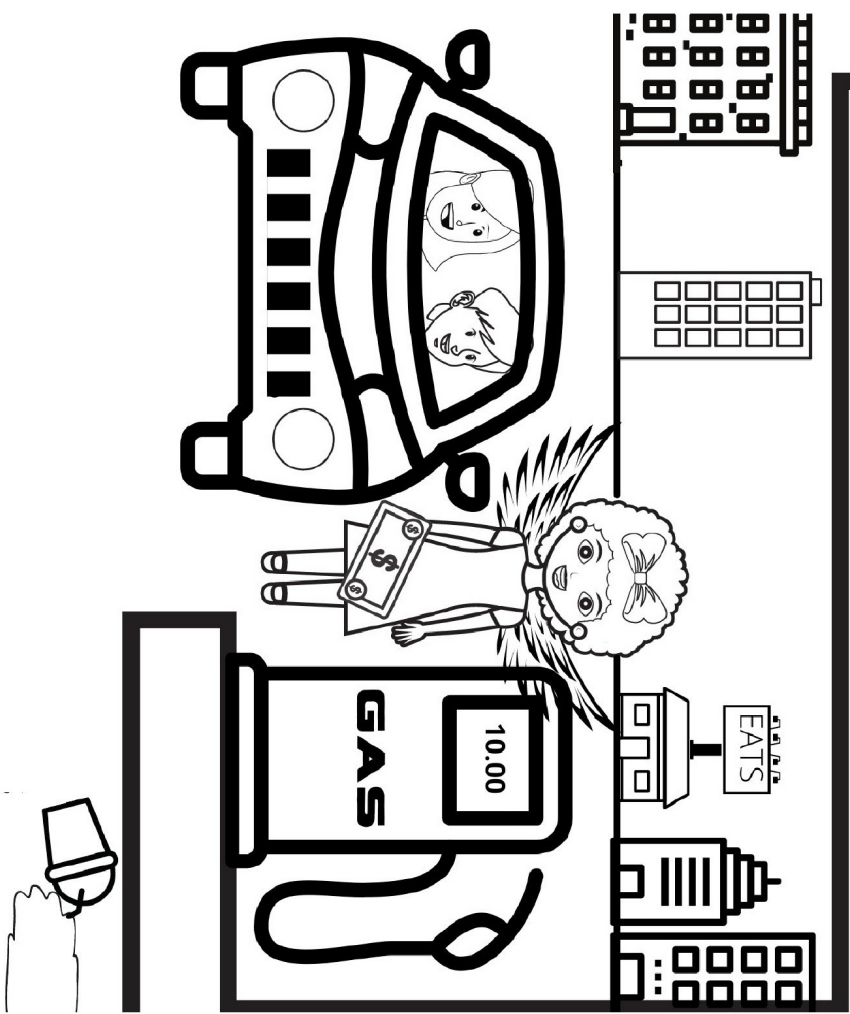

To worship angels is **Idolatry**

# GAS STATION

We don't always notice when God provides or how He does it. We can see, if we pay attention.  
Sometimes He uses people. Sometimes He sends an angel.

Can you look and see what is different about these two pictures?  
Hint: There are 12 things.

God's got ya' covered.  
Sometimes He sends angels  
and you don't even know it.
