A MIRACLE!

Thank you Yeshua Jesus for still doing miracles!

We are expecting to see Your hand at work, not only in our own lives, but all around us! We pray the Holy Spirit reminds us of all the work of your hands. In Yeshua's Name we pray, AMEN!

Faith in Action

This week pray and write down, in Faith, what miracle you are expecting. Then, watch for God's hand. You may be pleasantly surprised what you see!

As a family, think together & list 3 miracles for each category. There are so many more!
